

## Mock-up Notes

Creative Director: Jenny Wang

Designer: Eric Liu

### Improvements:

- Space out the texts into multiple paragraphs.
- Coordinate the colors with the shrimp illustrations.
- Have a simplistic single scroll webpage.
- Update navigation bar according to where and which section the user is on.
- Include a footer

### What to keep:

- Majority of the color.
- Background.
- Text looks really good with the watery nature of the shrimps' environment.
- Simplicity and white space used
